GROWING BUSINESS BETWEEN MALAWI AND SCOTLAND

malawi exhibition & trade event

Among the products on display will be Teas and Coffee, Rice and Lentils, Ground Nuts and Pulses, exquisite wood carvings, quality hand-crafted pottery and clothing. The event will also feature Malawi as a travel destination and artist David Kelly will be exhibiting his internationally acclaimed paintings.

Come and meet the producers from Malawi who have flown in especially for this event. Hear how their products are grown and manufactured and how trade between Scotland and Malawi is benefitting people, communities and business in both countries.
